CRÈME de la Mer Introduces The Eye Concentrate, a concentrated, ultra-luxe treatment that deeply conditions, smoothes and hydrates the eye area reducing the appearance of dark circles, puffiness and wrinkles. The applicator is designed to pick up the precise amount of product and its silver tip cools skin, improving microcirculation, rrp £120.

A HELPING hand in defending against the first signs of ageing has arrived in the form of Skin Wisdom Age Delay Vitamin C Youth Boost Serum (£7.97/30ml), exclusive to Tesco. It helps to leave skin feeling replenished and looking radiant. On application, skin feels smoothed and hydrated and, within just four weeks, fine lines and wrinkles appear softened and smoother.

HAVE you always wanted beautiful lashes without layering on the mascara and the fuss of falsies?

Dermaquest's new Dermalash treatment can create fabulous lashes with little effort. This nourishing treatment stimulates hair follicles resulting in longer, fuller lashes. Proven safe for long and short-term use, simply apply a small

amount of the Dermalash gel along the upper lash line in the evening, right before bed and in the first three weeks lashes should appear visibly longer.

After six weeks' continuous use, lashes will look thicker and more evenly spread. Price £98, for nearest stockist contact Dermasure on 01306 886 425.
